

CODE OF PRACTICE

For

FELLOW CHARTERED EDUCATORS

Introduction

This Code of practice is applicable to all Registered Fellow Chartered Educators recognized by Academic Council of CCLP Worldwide.

It is based on the Umbrella Statement of CCLP worldwide entitled "[Vision, Values and Guiding Principles](#)" that was agreed upon at CCLP Worldwide Annual Membership Meeting. While the Umbrella Statement provides a firm ethical framework for our global movement, this Code of practice reflects the commitment of Fellow towards society.

The Fellows are committed to uphold the highest standards of integrity and accountability to act according to the core values and guiding principles of CCLP Worldwide and to promote these standards and principles. The Fellows are also aware that they have a special role to play in promoting the movement and its ideals to other stakeholders. This Code of practice is a living document. Its value to the Fellowship lies in its ability to create an enhancing environment for a culture of education and research.
